### PRODUCT DESCRIPTION:

AQUA-GROW is a liquid, non-phytotoxic product based on natural plant extracts that stimulates growth of new plant roots and strengthens the existing root system. AQUA-GROW consists of 100% natural plant-feeding substances and promotes the overall growth of the crop and supports the propagation of beneficial micro-organisms. AQUA-GROW ensures a more vital crop and improved soil life. A more vital plant has a better overall defense system.

### COUNTRY OF ORIGIN:

The Netherlands

### BATCH NUMBER / EXPIRATION DATE:

Batch code: AA-190301  
Production date: Jan 2019  
Expiration datum: Jan 2020
