# AQUA-GROW

## For a stronger root system and plant-vitality

**AQUA-GROW** is a liquid, non-phytotoxic product based on natural plant extracts that stimulates growth of new plant roots and strengthens the existing root system. **AQUA-GROW** consists of 100% natural plant-feeding substances and promotes the overall growth of the crop and supports the propagation of beneficial micro-organisms. **AQUA-GROW** ensures a more vital crop and improved soil life. A more vital plant has a better overall defense system.
