Liquid TS

PRODUCT DESCRIPTION

LIQUID TS is a liquid, non-phytotoxic soil conditioner with a low nutrient analysis, made from plant extracts designed to refine the soil. **LIQUID TS** consists of 100% natural plant-feeding substances and is suitable for all turfgrass areas and crops. **LIQUID TS** should be applied before rainfall or watered in directly after application.

BATCH NUMBER / SHELF LIFE

Limited shelf life after opening

REMARK

Store in a fresh and well ventilated area. It is very important to water the product in directly, with at least 10 mm of water.

WARRANTY

Aqua Aid Europe (Seller) warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorised to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the materials as to which a claim is made.
