

SOLAR

Sun protection for plants

PRODUCT

SOLAR is a liquid product based on natural plant extracts.

FORMULATION

Titanium Dioxide
Vegetable amino acids / hydrolyzed

PACKAGING

10 Liter e Shake before use
1,5l kg / L (18C) - pH 5 - DS 55% w/w

COUNTRY OF ORIGIN

The Netherlands

FERTILIZER VALUE

N	P	K	Mg	Si
1,1	0,9	2,0	0,35	0,35

MRL FREE

10 liter e

PRODUCT DESCRIPTION

SOLAR consists of titanium dioxide and natural plant nutrients. SOLAR can reduce the harmful effects of UV radiation and improved the absorption of sunlight. This reduces the stress which, in combination with amino acids and silicon, increases the plants natural resistance. This is a unique product because due to the extremely fine structure of SOLAR, combined with UV light, organic pollution on the leaves can be reduced.

BATCH NUMBER / EXPIRATION DATE

Batch code: AA-190302

Production date: Jan 2019

Expiration datum: Jan 2020

REMARKS

Keep out of the reach of children, read the MSDS sheets carefully before use. Do not combine SOLAR in the spray tank with pesticides or fertilizers unless prior use has shown the combination is physically compatible, effective and non-injurious under local conditions.

Warranty

Aqua Aid Europe (Seller) warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.
