

# OARS PS Granular

## Multi-Branched Penetrating Surfactant

### PRODUCT

OARS PS Granular is a 3D Penetrating surfactant utilizing a unique multi-branched surfactant molecular structure to address the source of performance loss – biodegradation of the surfactant molecule by soil microbes. OARS PS Granular aids in controlling soil water repellency and helps provide uniform soil moisture. When used as directed, OARS PS Granular is safe to turf and can be applied at any time of the year to avoid the detrimental impact of water repellency stress and localized dry spots on turf and to increase the vigorous appearance of turfgrass. The increased performance can reduce hydrophobic conditions on a sustainable basis for up to 60 days. OARS PS Granular can also restore the uniform movement of water into and through the soil profile. When used in accordance with product directions, OARS PS Granular is easy to use, is not harmful to plants and can be applied at any time of the year to avoid the detrimental impact of water repellency stress and localized dry spots. OARS PS Granular is safe to plants when used as recommended.

### DIRECTIONS FOR USE

Application rate: Apply OARS PS Granular at 160 – 240 KG/Ha at 4 – 6 weeks interval. Wash in at 3 MM irrigation for best result. Function and longevity depending on profile conditions and climatically influences. Monitor moisture level to check on product activity before reapplication. OARS PS Granular should be applied early in the season before localized dry spot conditions and formations occur. OARS PS Granular can also be used in horticulture to reduce water consumption and improve plant conditions. Increases nutrient exchange due to better moisture control.

**COUNTRY OF ORIGIN** The Netherlands

20 KG e  
No MRL

### CONTAINS NON-PLANT FOOD INGREDIENT

Active ingredient:

Hexahydroxy polyoxyalkylene polymers .....	5,30%
Amine salt of alkyl substituted maleic acids .....	0,95%
Inert ingredient:	
Porous ceramic carrier .....	93,75%

Weight to volume equivalents for OARS PS Granular formulation:  
160 KG = 10 L of OARS PS Liquid

### HAZARD STATEMENT(S)

May cause respiratory irritation.

### PRECAUTIONARY STATEMENT(S)

Keep out of reach of children. Read label before use. Avoid breathing dust. Use only outdoors or in a well-ventilated areas. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or physician if you feel unwell.

### WARRANTY

Aqua Aid Europe (Seller) warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.
